

## Fire Safety Policy

EYFS: 3.54, 3.55, 3.56

The manager has overall responsibility for the fire drill and evacuation procedures. These will be carried out and recorded for each group of children every three months or as and when a large change occurs, e.g. a large intake of children or a new member of staff joins the setting. These drills will occur at different times of the day to ensure evacuations are possible under different circumstances.

### Registration

An accurate record of all staff and children present in the building must be kept at all times and children/staff will be marked in and out on arrival and departure. An accurate record of visitors will be kept in the Visitor's Book. These records must be taken out along with the register and emergency contacts list in the event of a fire.
